## REFERRALS

If your insurance company requires a referral for you to see a specialist, you must obtain one from your primary care physician prior to your appointment. It is your responsibility to find out if a referral is required; our office staff will not be checking this information.

The referral must be logged in the insurance company's system in order to be effective. A handwritten or faxed referral from your primary care physician does not mean that the insurance company has it on file.

If you do not take the necessary steps to ensure the referral is on file with your insurance company, any visits that are denied will be your responsibility.

## NO SHOW / BILLING POLICY

This is to inform you that Boulder Bone and Joint/Orthopedic Urgent Care has a no show policy. If you do not keep your regular scheduled physician or therapy appointment, or fail to cancel at least 24 hours in advance, you will be charged \$40.00 for the missed appointment. **YOU WILL BE RESPONSIBLE FOR THIS CHARGE** as insurance companies do not pay for no-shows. Boulder Bone and Joint will send out statements for any outstanding balances due.
